ABOUT ME

I enjoy everything related to technology and I'm passionate about interactive media, mainly electronic games, and recently how technology is molding our cities. Living in Rio de Janeiro, Brasil, I'm most interested in how society is using and interacting with new sorts of tech.

EXPERIENCE

2020 Student's Design Office

As Digital Media Assistant, I contribute to PUC-Rio's Arts and Design Department's website, being responsible for keeping content updated by adding new pages, removing old topics, and creating banners for new posts. I also develop similar projects and tasks for events related to the university.

2019 AeroRio

As a member of the marketing team, I Designed brochures and published posts on social media about sponsors and projects for AeroRio, a university team that builds Unmanned Aerial Vehicles at PUC-Rio. In 2019 I worked as a photographer and social media manager for the team during the SAE Brasil national competition.
